B/P for multi day, 24-7 operations in inclement conditions.
3. Execution.
 - a. Commander's Intent. Intent is to respond with maximum participation from the TNSG in an organized manner that minimizes demands on the Incident Command System and relief structure already in place. TNSG will maintain unit integrity to the highest degree possible with daily reporting through the chain of command by available communication channels. No TNSG will operate alone or for periods longer than 12 hours unless approved by CG, TNSG or TAG
 - b. Concept of the Operations. Current TNSG who are already on site will liaison with IC at the EOC to conduct battle handover to TF CDR. Units will consolidate at BN and REG drilling locations and move forward on their own authority (carpool is recommended) to TF HQ at 4850 E. Andrew Johnson Highway Greeneville TN . Be Prepared for 24 hour operations necessitating shifts.
 - c. Coordinating Instructions
 - (1) Regiments and separate commands will report numbers of Guardsmen on site and/or mobilized to TF HQ who will report to TNNG JOC.
 - (2) All Guardsmen to deploy with 72 hour bag IAW packing list

4. Sustainment

- a. Billeting will be available in local high school gym. Be prepared with bedding, mats or cots as required. Actual billeting will be up to chain of command.
- b. Guardsmen will deploy with 72 hour rations. Unknown support after that.

5. Command and Signal. No Change
